Re: 4175 Nottingham Rd

Dear Ms. Harris,

Please find this correspondence as a follow-up to the communication you provided on June 4, 2025, to the Detroit Water and Sewerage Department (DWSD) and the Board of Water Commissioners (BOWC) regarding the high balance on the account.

Several attempts have been made to contact you regarding your concerns about the high balance associated with the referenced property. As of this update, we have not yet received a response.

Please contact me directly at 313-880-2564 at your earliest convenience so we can thoroughly review and address your concerns. Once contact is made, a comprehensive response will be provided to the BOWC.

Thank you for being a valued DWSD customer.

Respectfully,

Kimberly Crowell
