Created	Requester	Category	Description of the Requested Documents
7/29/2022 14:11	RYAN R KELSEY	Bids/Contracts	current/most recent contracts related to vendor(s) for card payments (Card not-present/card present)
7/26/2022 15:23	Aleisha Craig	Non-FOIA	Shut off
7/21/2022 16:14	JONATHAN CAMACHO	Permits/Inspections	I am working on behalf of DTE Gas Company to obtain a copy of any permits for the location of 18301 Hamilton Rd in Detroit and a copy of the certificate of liability insurance if required for these permits. Please search between the dates of 9/1/2019 - 10/1/2021.
7/20/2022 12:03	Aaron Mondry	Audits	A representative for the Detroit Water and Sewerage Department (DWSD) told me of an audit done between DWSD and the Detroit Land Bank Authority to determine the status of water and sewer line connections for Land Bank–owned homes. This was done sometime between 2018-2021. I would like a copy of this audit.

7/20/2022 10:43	Cass Charrette	Water Shuts/Restorations	<p>1. A copy of any data and documents that list the addresses and dates of residential customers that have had their water service terminated starting January 1, 2019 to date of the submission of the FOIA, the reason for the termination, and the amount of arrears for each account. If this data is produced in another format, such as written logs or summary reports, please provide a copy of that instead. If your agency has a policy that home address information is exempt from FOIA, please provide this data at the street level.</p> <p>2. Any documents describing and listing the addresses and dates of residential customers that have had their water service restored starting January 1, 2019 to date of submission of the FOIA, following a disconnection. If this data is included in the same data set as Item 6, you may provide that full data set in lieu of processing this element separately.</p> <p>3. A copy of any existing, regularly generated reports that include the total amount of water and wastewater customer arrearages, number of customers in arrears, and median amount of arrearages per customer, and number of customers subject to potential service disconnection due to arrears by customer class (e.g., residential, non-profit, commercial, industrial) starting January 1, 2019 to date of submission of the FOIA.</p> <p>4. A copy of a list of referrals the utility/water system/municipality sent to the tax assessor to place a tax lien on properties due to non-payment of any water or sewer bill, starting January 1, 2019 to date of submission of the FOIA, and the amount of arrears for each account. If this information is stored in a summary database, you may provide that database.</p> <p>5. Any documents describing or listing the addresses of residential customer accounts that have been enrolled in and have been discharged from the Great Lakes Water Authority's Water Residential Assistance Program, and the reason for such removal or discharge, starting January 1, 2019 to date of submission of the FOIA.</p>
