23-072	Joseph Holman	Water Shuts/Restorations	<p>I am writing to kindly request public information for my research project. Specifically, I am seeking a list of properties in our community that have had their water shut off in the last 60 days. My aim is to better understand the current state of our community for a school report and to identify areas that may need additional support and resources. I understand that this information may be sensitive and that there may be legal and privacy considerations that need to be taken into account. However, I want to assure you that I am only seeking public information and that I do not require any personal information such as names or phone numbers. My aim is solely to obtain the addresses of properties that have been cited for code violations.</p> <p>I believe that public information such as this should be available to citizens who want to learn more about their community. I promise to use the information obtained for academic purposes only and to treat it with the utmost confidentiality. If there are any fees associated with obtaining the information, please let me know and I will gladly pay them. Thank you for your time and attention to this matter. I appreciate your help in providing me with the information I need to complete my research project.</p>
