4/6/2022 14:41	Carmine Finelli	Environmental Assessment	Pursuant to the Freedom of Information Act (MCL 15.231 et seq.), The Mannik & Smith Group, Inc. (MSG) is requesting available information from relevant departments, including, but not limited to, Fire, Building, Zoning, and Planning Departments. Requested information pertains to hazardous substances or petroleum products that would indicate an existing or past release or other environmental related issues and building records, permits, and schematics and utility information associated with the following property: Vacated West McNichols Road between French Road and Conner Street, as this property was historically a road there is no address, nor a Parcel ID # associated with the property. I will include a diagram that the client provided us that may help you identify the property. It is located just north of Coleman A. Young International Airport in Detroit, Wayne County, Michigan MSG requests that the public records be provided using the actual and most reasonably economical cost (electronically mailed or otherwise electronically provided) in lieu of paper copies. If the public body estimates or charges a fee in accordance with the cited act, MSG requests prior notification of the total amount; that the total fee be in accordance with the cited act; and not exceed the portion of labor costs directly associated with the necessary searching for, locating, and examining of public records in conjunction with receiving and fulfilling a granted written request.

4/6/2022 13:06	Amanda Hayden	Environmental Assessment	<p>In accordance with the Michigan FOIA, Atlas Technical Consultants, respectfully request information/documentation for the following addresses:</p> <p>31 Woodland Street  Detroit, Michigan 48202  Parcel Identification Number: 01003632</p> <p>I am particularly interested in information associated with Assessing records (property card, land transfers); Building Department records (permits, certificates of occupancy); Fire records (fires, hazardous waste storage, disposal, violations); Public Works (septic tank documents/plans, utility connection dates for water, sanitary, storm sewer, natural gas); wells (drinking water, public water supply, monitoring); Zoning classification records; lead, asbestos, and/or environmental site assessments/sampling; underground and/or above ground storage tanks or any other environmental documentation.</p> <p>Atlas respectfully requests to be notified prior to the accrual of fees associated with this request. Please direct any questions to Amanda Hayden at 248-535-6087 or <a href="mailto:amanda.hayden@oneatlas.com">amanda.hayden@oneatlas.com</a>.</p>
4/6/2022 12:09	KELLI SIMS	Infrastructure	<p>FIRE HYDRANT WAS PUT IN THE MIDDLE OF THE DRIVEWAY OFF THE SERVICE DRIVE 08/20/2021. GARAGE IS BEING REBUILT DUE TO FIRE AND THE PLACEMENT OF THE GARAGE DOOR WILL HAVE TO CHANGE NOW. HOMEOWNER IS WONDERING WHY THE FIRE HYDRANT WAS INSTALLED IN THE CURRENT LOCATION.</p>
4/5/2022 13:36	Randy Wimbley	Non-DWSD	<p>Under the Michigan Freedom of Information Act § 15.231 et seq., I am requesting an opportunity to inspect or obtain copies of public records detailing Detroit Police crash related settlements from 2017-2022. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$20. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and for news gathering purposes (WJBK FOX2). The Michigan Freedom of Information Act requires a response to this request within five days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering my request.</p>
4/5/2022 13:33	Jamie Mathews	Non-DWSD	<p>This was an accident with a smart bus. Ms. Tucker referred me to request it via FOIA because it is not available from LexusNexus Crash Reports. Driver Name: Brian Brandom Vehicle Plate #: 0028287 VIN#: 1FT7W2B61KEG11316 Incident/UD # Provided by Driver: A8870 Accident occurred on Gratiot Ave Details: I was sitting in the parking lane on Gratiot Ave and a smart bus came too close and knocked the side mirror off. Driver indicated: Police didn't come; he went to the Police Department to file a report; no citation was given.</p>
