The Honorable Board of Water Commissioners
City of Detroit Water and Sewerage Department
735 Randolph, 5th Floor
Detroit, MI 48226

Dear Honorable Board of Water Commissioners:

Please find this correspondence as follow-up to the communication that was provided by DeMeeko Williams on June 4, 2025, to the Detroit Water and Sewerage Department (DWSD) and the Board of Water Commissioners (BOWC) regarding street flooding in the area of Chene and Lafayette.

A site visit was conducted under work order #442945, to investigate a water in the street complaint. The Department cleaned and tested the basins and the manhole in the vicinity. After cleaning, all are taking water properly.

Should you have any further questions or concerns, please do not hesitate to reach out to my office directly at 313-267-3671.

Respectfully,

Gary Watkins
Special Projects Manager, Restorations
