

Wayne County Department of Public Services
Engineering Division – Permit Office

Indemnity and Insurance Attachment for Pipeline Permits

The Permit Holder shall defend and hold harmless Wayne County, the Department of Public Services, its officials and employees against any and all claims, suits and judgments to which Wayne County, the Departments, its officials and employees may be subject and for all costs and actual attorney fees which may be incurred on account of injury to persons or damage to property, including County property. The Permit Holder shall provide this indemnity whether the negligence is due to the Permit Holder or to joint negligence of the Permit Holder and the County, arising out of any and all activities performed under the permit or in connection with work not authorized by the permit, or resulting from the failure to comply with the terms of the permit, or arising out of the continued existence of the work product that is subject to the permit.

Certificates of insurance shall be required for all construction permits, excluding residential driveway permits. General liability and automotive liability insurance coverage shall be in amounts detailed below:

The general liability insurance coverage shall be in amounts not less than \$2,000,000 each occurrence and \$5,000,000 general aggregate. Proof of automobile liability shall be in amounts not less than \$2,000,000 combined single limit for each accident, bodily injury per accident, and property damage per accident, and in an amount not less than \$2,000,000 for bodily injury each person, each occurrence and property damage liability \$2,000,000 each occurrence.

The certificate of insurance must be provided by a person, the corporation, or by authorized representatives who signed personally either the application or permit. Insurance shall remain in force until the permit is released by Wayne County.

The WCDPS shall be a Certificate Holder on the policy of insurance worded as, “Wayne County, and its officers, agents and employees are named as additional insured parties.” It is also required that the annual permit numbers are included on each certificate of insurance.

The insurance shall cover a period not less than the term of the permit and shall provide that it cannot be cancelled or reduced without thirty (30) days advance written notice to Wayne County, by Certified mail, first-class, return receipt requested. The thirty (30) days shall begin on the date when the County received the notice, as evidenced by the return receipt.

Such insurance shall provide by endorsement therein for the thirty (30) day notice by the insurer to the Permit Office prior to termination, cancellation or material alteration of the policy.

Licensee agrees to make application for renewal thereof at least sixty (60) days before the expiration date of the policy then in force and to file a certified copy of such renewed policy with the Permit Office. The policy shall also provide by endorsement for the removal of the contractual exclusion.

Should insurance coverage be cancelled or reduced below acceptable limits, or allowed to expire, the authorization to continue work under the permit shall be suspended or revoked and shall not resume until new insurance is in force and accepted by Wayne County. Wayne County may, in such cases, take appropriate action to restore or protect the road and appurtenances. All costs incurred by this action shall be deducted from any remaining inspection deposit, bond and/or Letter of Credit and, if necessary, the Permit Holder may be billed to defray actual expenses.
