| 26-241 | Sequoia Lukas-King      | <p>I'm on section 8 and my water has been running dirty . I called and found out that it wasn't even suppose to be on and has been on for 15 years illegally. I just moved to the property 2 months ago ,if that . There's a gas leak in my home , which I'm aware has nothing to do with you all . I'm ready to get out of this house and I need the past due water bills emailed to me (PLEASE) to show section 8 along with the DTE statement I already have , so they can move me elsewhere . My children and I stayed in that shelter for 2 years . This can't be life. We can't wash , we can't cook , I have to get my children out of this. They deserve better.</p> <p>Please send it to :<br/>DOCEJ2020@GMAIL.COM</p> | 7/29/2026     | Pending        |
