

SEWER MAIN
EASEMENT AGREEMENT

This SEWER MAIN EASEMENT AGREEMENT ("Easement Agreement" or "Easement") is made and entered into this 15 day of July, 2026, by and between DETROIT PUBLIC SCHOOLS COMMUNITY DISTRICT (A MICHIGAN GENERAL POWER SCHOOLS DISTRICT), 3011 WEST GRAND BLVD, 14TH FLOOR, DETROIT MI 48202 ("Grantor"), and the CITY OF DETROIT, operating by and through its WATER AND SEWERAGE DEPARTMENT, with its principal place of business located at 735 Randolph Street, Detroit, Michigan 48226 ("Grantee" or collectively, the "Parties" and each, without distinction, a "Party").

RECITALS

- A. Grantor is the fee simple owner of a parcel of land located in the County of Wayne and State of Michigan, as more particularly described as Parcels A ("Grantor's Parcel") in the attached **Exhibit A**:

Parcel A:

Tax Identification Number(s): 20004995

More commonly known as: 7735 LANE ST, DETROIT, MI 48209

- B. Grantor has constructed and installed sewer main and underground equipment and appurtenances for sewer main facilities ("Equipment") on its Parcel.
- C. Through a Bill of Sale, attached as **Exhibit B**, Grantor has sold its Equipment to Grantee.

- D. Now, having acquired the Equipment from Grantor, and to benefit the public, Grantee desires a permanent easement ("Easement") over, across, and under a portion of Grantor's Parcel to enable it to allow for vehicular and pedestrian access to operate, maintain and, as necessary, reconstruct, repair, and/or replace improvements on underground sewer pipelines and underground and surface appurtenances and facilities with respect to such pipelines ("Grantee's Facilities" or "Facilities"); and
- E. Grantor has decided to grant the Easement to Grantee in accordance with the terms provided within this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor conveys this Easement to Grantee subject to the following terms and conditions:

1. **Purpose(s)**. This Easement shall benefit the public and Grantee and serve the following purposes: (a) for vehicular or pedestrian traffic, it shall provide ingress to and egress from Grantor's Parcel and other public road corridors and public rights of way; and (b) for Grantee, it shall provide accessibility to enable the same to work on its Facilities or for any other related purpose(s).

2. **Location**. The Easement shall be located in the area more particularly described in the attached **Exhibit C**, which Exhibit includes the legal description, Parcel Drawings, and Plans to reflect its location ("**Easement Area**").

3. **Access**. Grantee has the right of pedestrian and vehicular ingress to and egress from the Easement Area over and across those portions of the Grantor's Parcel to its Facilities. Grantor agrees to provide Grantee automatic access upon verifying the identity of Grantee's agents, employees, contractors, subcontractors or other personnel (collectively, "**Grantee's Representatives**"). Notwithstanding the foregoing, Grantee and Grantee's Representatives shall have the right to access the Easement Area at all times, including without prior notice in the event of an emergency. For non-emergency access, Grantee shall use commercially reasonable efforts to coordinate with Grantor, but failure to do so shall not limit or impair Grantee's access rights hereunder.

4. **Grantor's Restricted Use of the Easement Area.**

a. **New Construction or Modification of Grantor's Parcel.**

Grantor shall not alter, disturb or modify the Easement Area from its current state as of the date of this Agreement ("**Modifications**"), which Modifications will directly, indirectly, or in any manner impede Grantee's free and easy access to and operation of its Facilities. Such Modifications include, without limitation:

- 1) The construction or placement of obstructions or obstacles of any kind, such as walls, fences, hedges, structures, buildings, streetlights, power poles, or yard lights;
- 2) The use of the Easement Area for temporarily or permanently storing goods or equipment;
- 3) The construction of pavement, roadways or other surface and subsurface uses of the Property (including, without limitation, fences, trails, and bike paths); and
- 4) Any alteration which would impair lateral or subjacent support for Grantee's Facilities.

b. **Grantee's Sole Discretion to Approve Grantor's Subsequent Modifications.**

Notwithstanding the above, in the event Grantor wants to make Modifications, Grantor shall obtain prior written approval from Grantee. If Grantee approves the Modification, Grantor shall be solely responsible for incurring all costs associated with its construction and maintenance and agrees to

indemnify Grantee, as more fully reflected herein in Paragraph 6.

c. Grantee's Unauthorized Modifications.

In the event that Grantor does not obtain approval from Grantee and erects Modifications within the Easement area:

- 1) Grantee shall request Grantor to dismantle and remove the Modifications, at its sole cost and expense.
- 2) In the event that Grantor fails to promptly remove unauthorized Modifications, Grantee shall be authorized to promptly dismantle and remove the same.
- 3) Once Grantee removes the unauthorized Modification, Grantor shall promptly reimburse Grantee for all costs incurred to have Grantee's Representatives remove, dismantle and dispose of the unauthorized Modifications.
- 4) Grantor agrees to waive all claims for damages against Grantee including, without limitation, those related to trespass or damage caused by Grantee's removal of the Modifications and to indemnify Grantee for all costs raised by third parties, as reflected with more particularity herein in Paragraph 6.

d. Grantee's Exclusive Use of Easement Area.

Grantee shall have exclusive use of the Easement Area to accomplish its Purposes, including, without limitation, the right to install permanent sewer main location guideposts over its Facilities at reasonable intervals and at any points of deflection within said Easement Area.

Other public utilities or services, including without limitation, electrical, gas, telephone, data transmission, communication and cable ("Public Utilities") who seek to install equipment on Grantor's Parcel within the Easement Area shall first obtain Grantee's prior written consent which shall not be unreasonably withheld as long as and on the condition that they do not interfere with Grantee's rights reflected in this Agreement.

As reflected with more particularity in Paragraph 6, Grantor agrees to indemnify Grantee and Grantee's Representatives if and to the extent Grantee authorizes third parties to perform work within the Easement Area.

5. Grantee's Obligations Given Its Use of the Easement Area.

a. Restoration of Easement Area.

After construction or other operations by the Grantee which disturb the surface of the Easement Area, Grantee will restore the general surface of the ground in compliance with all laws. Grantee shall replace seeding or sod as soon as practicable after completion of its work within the Easement Area.

b. Restoration of Real or Personal Property.

If Grantee's Representatives, through their use of vehicles or equipment in the Easement Area, directly cause damage to Grantor's real or personal property, as identified herein, Grantee will restore the same to the condition it or they were in when this Agreement was executed without any cost to Grantor. Otherwise, for Grantor's Modifications, Grantee shall not be liable or responsible for paying any costs related to the same.

6. Grantor's Indemnification of Grantee. Grantor agrees to indemnify, defend and hold harmless, Grantee and the City of Detroit, including, without limitation, officers, employees and agents (including Grantee's Representatives) against any and all liabilities, obligations, damages, penalties, claims, costs, charges and expenses (including, without limitation, reasonable fees and expenses for attorneys, expert witnesses and other consultants at the prevailing market rate for such services) which may be imposed upon, incurred by, or asserted against Grantee and the City as a result of the existence of and in accordance with the terms of this Agreement by reason of any of the following:

a. Any negligent or tortious act, error, or omission attributable, in whole or in part, to the Grantor or any of Grantor's agents with respect to this Agreement, generally, or activities occurring in connection with the construction, inspection, maintenance and/or repair of work conducted in connection with the Easement Area.

b. Any failure by the Grantor or any of Grantor's agents to perform their obligations either implied or expressed under this Agreement.

7. Warranties. Each Party makes the following warranties.

a. Grantor. Grantor warrants that it has all right, title, and interest in its Parcels and/or the Easement Area and the lawful authority to grant this Easement. Further, Grantor warrants that as of the effective date of this Agreement, Grantor's Parcels and/or the Easement Area do not contain Hazardous Materials and are not in violation of any Environmental Laws.

b. Grantee. Grantee warrants that it has the authority to enter into this Agreement on behalf of the public.

8. Mutual Remedies. In the event that Grantee or Grantor fails to perform any of their respective obligations hereunder ("Non-Performing Party"), either Party shall be entitled to all remedies available at law or in equity. In the event that either one is a Non-Performing Party, upon fourteen (14) days' prior written notice to the Non-Performing Party, the impacted Party shall have the right to perform such obligations. In that case, the Non-Performing Party shall be responsible for reimbursing the impacted party for any and all expenses and costs within forty-five (45) days after receipt of a statement reflecting actual costs.

9. Notices. Any notice required or permitted to be given hereunder or by law shall be in writing, addressed to Grantor or Grantee at the following addresses and given by one of the following methods: (a) delivery in person; (b) by a reputable prepaid overnight courier (such as UPS or Federal Express); or (c) mailed by certified mail, postage prepaid:

If to DWSD:

10. **Miscellaneous.** The easements, covenants and restrictions contained herein shall run with the land so described herein and bind and benefit Grantor's and Grantee's successors and assigns. This Agreement may be amended, modified, or terminated at any time by a writing mutually agreed to by each of the parties hereto. This Agreement shall be governed by the laws of the State of Michigan.

11. **Termination.** Notwithstanding anything herein to the contrary, the Easement, this Agreement and the rights granted hereunder (i) shall terminate automatically upon Grantee's abandonment of Grantee's Facilities or Easement Area, and (ii) may be terminated by a written document recorded by the Wayne County Register of Deeds signed by Grantor and Grantee. Upon termination, Grantee, at its own cost and expense, shall promptly restore and remediate the Easement Area to the condition that existed immediately prior to the effective date of this Agreement.

12. **Due Authorization.** Each of the undersigned signatories warrants that s/he is duly authorized and empowered to execute this Agreement on behalf of the Grantor or the Grantee, as the case may be, and that the Grantor or the Grantee has taken all necessary action to approve the execution of this Agreement.

13. **Employment Practices.** The Parties shall comply with all applicable fair employment practices, laws and ordinances, and require similar compliance by all parties contracted with pursuant to this Agreement. Failure to so comply or require compliance may be considered a material breach of this Agreement.

14. **Exemptions.** This Agreement is exempt from real estate transfer tax pursuant to MCL 207.505(a) and from State real estate transfer tax pursuant to the provisions of MCL 207.526(a).

15. **Payment of Recording Costs.** Grantor agrees to pay fees associated with recording this Agreement with the Wayne County Register of Deeds.
