Honorable Board of Water Commissioners
735 Randolph St.
Detroit, MI 48226

Dear Commissioners:

Re: Public Comment – 13561 Memorial

The Detroit Water & Sewerage Department (DWSD) has identified the source of the cave-in, which is the private sewer lead for the property directly behind 13561 Memorial. At this time we are coordinating efforts with Detroit Public Works (DPW) and Buildings, Safety Engineering and Environmental Department (BSEED) to assist with resolving the private property issue caused by the property on Rutland.

Respectfully,

Palencia Mobley, P.E.
Deputy Director and Chief Engineer
