

**BOARD OF WATER COMMISSIONERS
BOWC MEETING
PUBLIC NOTICE**

To mitigate the spread of COVID-19, to protect public health, and provide essential protections to vulnerable citizens, it is crucial that all citizens take steps to limit in-person contact. These critical mitigation measures include social distancing and limiting the number of people interacting at public hearings. On March 18, 2020, Governor Gretchen Whitmer issued Executive Order No. 2020-15 allowing remote participation in public meetings and hearings for public bodies subject to the Open Meetings Act.

Meetings may be held electronically, including by two-way telephonic conference or video conference in a manner in which both the general public and members of the public body may participate. The public body also may use technology to facilitate typed public comments that may be read to or shared with members of the public body and other participants.

For these reasons, the City of Detroit Board of Water Commissioners will hold its committee meetings on Wednesday, July 1, 2020 as a telephonic meeting. Customer Service at 1:00 p.m., Human Resources at 1:15 p. m., Capital Improvement Program and Operations 1:30 p.m., and the **Finance 1:45 p.m. has been cancelled.**
