Dear Gaston Nash:

Please find this correspondence as a follow-up to the communication you provided on May 16, 2025, to the Detroit Water and Sewerage Department (DWSd regarding; 16252 Prairie, 16800 Santa Rosa, 16519 Monica, and 16810 Monica.

A site visit will be conducted within the next ten days, to identify the areas of concern. As we discussed, the department will investigate first, to determine the next steps to address; street flooding at 16252 Prairie and 16800 Santa Rosa., also pooling water in the alleyway which is making it difficult to access the parking areas for 16519 Monica and 16810 Monica.
