Regarding: Account Number: 920-3934.300  
Service Address: 2140 Martin L King Jr. Blvd.  
Parcel ID Number: 10004936-43

Pursuant to your request to the Board of Water Commissioners dated March 16, 2022, the Detroit Water and Sewerage Department (DWSD) has reviewed your stormwater drainage charges and has determined the following:

DWSD regularly update its records using the best data available. In January 2021, DWSD's records have been updated to reflect the 2019 aerial flyover imagery and matched it with 2019 City Assessors data.

As a result of the data update, acct # 920-3934.300 has been created to bill the drainage charges for parcel # 10004936-43 in the name of M L King Jr Blvd LDHA, who is the responsible party for this bill. This account was created following the combination of 112 individual parcels that used to bill drainage charges in 112 individual drainage accounts. All these individual accounts have been closed out; however, bill statements are still being mailed for the accounts with unpaid balances.

The current monthly drainage bill is based on 5.08 impervious acres billed at the current rate of \$677.00 per impervious acre, a total of \$3,439.16 per month.

We appreciate your cooperation, as well as the opportunity to continue to provide high-quality service in the future. If you have any questions, please contact the Drainage and Green Credit Program Office at (313) 267-8000 (option 6). For the most up to date information regarding DWSD's Drainage program, please visit our website at [www.detroitmi.gov/drainage](http://www.detroitmi.gov/drainage).

If you are unable to pay the balance in full or if there are any further questions regarding this matter, please contact the Detroit Water and Sewerage Department at (313) 267-8000 or visit your personal DWSD portal page. If you disagree with the results of this investigation, you may request a hearing **within 10 days of the date of this letter** by contacting the Customer Care Center at (313) 267-8000 to complete a hearing request form.

Due to COVID-19 and related safety protocols, the hearing may be held electronically.

Respectfully,  
*The Billing Team*
