

# **Detroit Water and Sewerage Department Assistance for Basement Sanitation Related to July 8, 2016 Rainstorm**

**Call: 2-1-1**

Residents living in the Jefferson Chalmers and Cornerstone Village neighborhoods\* who need their basement sanitized following the **July 8, 2016 rainstorm** may be eligible for assistance.

**Call: 2-1-1**

Detroit Water and Sewerage Department (DWSD) customers who have an overflow or sewer backup into your home or business, may complete a damage claim form and send to DWSD. State law requires you file a written claim with DWSD within 45 days after the overflow or backup was discovered. The form is available at [www.detroitmi.gov/dwsd](http://www.detroitmi.gov/dwsd).

\*The Jefferson Chalmers neighborhood is defined as north of the Detroit River to East Jefferson and Conner/Clairepointe east to Alter Road, and Cornerstone Village boundaries are Mack Avenue north to I-94/Ford Freeway and Cadieux east to Kingsville.
