Subject: FOIA request

Hi Brian,

Per our discussion by phone, I would like to request the following records from the Detroit Water and Sewerage Department under the Michigan Freedom of Information Act:

A list of all non-residential water accounts that are 90 or more days past due with at least a \$1,000 overdue balance. Please include the name of the business or non-residential account holder as well as the current amount past due that exceeds \$1,000. If possible, please include either the number of days the account is past due or the date it was considered past due.

Please contact me if you have any questions about this request.

Thank you for your time and help.

-Chad
