Re: Public Comment – Logging on DWSD Website

Dear Ms. Burns,

Please accept this letter as a follow-up to your concern addressed to the City of Detroit Water and Sewerage Department (DWSD) at a previous outreach meeting. In your comment, you expressed concern regarding difficulty logging onto the DWSD website to see the square footage of a property.

You can log on to the website at <http://www.detroitmi.gov/drainage> and go to the Parcel Viewer section of the webpage and select the link www.detroitmi.gov/DWSDparcelviewer to view your property's parcel data. Once the Impervious Surfaces Public Viewer appears, input the address of the property and select search. The parcel viewer will show you the total acreage of the property as well as the impervious acreage. DWSD's drainage charge is based upon the parcels impervious acres. If you believe it is incorrect, you may submit the completed application and supporting materials to:

**DWSD Drainage Program
6425 Huber Street
Detroit, MI 48211**

You may also submit your completed application by fax to 313-842-6495 or by email to drainage@detroitmi.gov.

If you should have further questions, please call our Customer Care Center at 313-267-8000 option 6.

Respectfully,

Lisa Wallick

Lisa Wallick, P.E.
