

DRAFT

CAPITAL IMPROVEMENT PLAN

AND 2020 CAPITAL BUDGET

2020-2024 DRAFT CIP 5-YEAR PLAN

DRAFT -Capital Improvement Plan

- This CIP should be considered a planning document and current fiscal year capital budget – the CIP is an evolving plan that requires continual review and modification during the course of each year.
- The amounts indicated in 2020 are the FY20 capital budget.
- The following table details the planned expenditures for the Fiscal Years 2020-2024 CIP. Expenditures are focused on replacement, installation and/or abandonment of existing water mains, replacement of inoperable fire hydrants, rehabilitation of sewer systems, management of storm water with green infrastructure, upgrades to information technology systems, replacing aging equipment and vehicles, as well as rehabilitation of facilities that support the operation of the utility.

Summary of CIP Financial Plan and FY2020-2024 Capital Budget

The FY 2020 – FY 2024 capital improvement plan provides for \$217 million of water system improvements and \$150 million of sewer system improvements over the five year planning cycle. **FY20 DRAFT Capital Budget of \$147,567,399**
