RE: Public Comment – Project B

Dear Ms. Taylor:

Please accept this letter as a follow-up to your concern addressed to the City of Detroit Water and Sewerage Department (DWSD) at a previous Board of Water Commissioners (BOWC) meeting. In your comment, you expressed concern regarding Project B.

Areas are selected for assessment based on, frequency of water mains breaks (five (5) per 1,000 linear feet), age of infrastructure, water in basement complaints, sink holes of the public sewer system, and investment being made by other agencies in an area.

Thank you for contacting DWSD, we consider this matter resolved.
