FOIA Requests - March 2020

Created	Requester	Category	Description of the Requested Documents/Data
3/27/2020 10:21	Jared Maciej	Bids/Contracts	Hello, I am working on behalf of DTE Energy to obtain a copy of any inspector notes for the water main installation project near Murray Hill Street & Fenkell Ave in Detroit between the dates of 11/10/2017 – 11/17/2017.
3/19/2020 11:10	Paul "Bobby" Manion	Phase 1 Enviro Assessment	14601 and 14641 East Warren Ave: Original water and sewer connection dates, date water and sewer were available in the area.
3/19/2020 11:02	Richard Stifter	Bids/Contracts	I am working on behalf of DTE Energy to obtain information on a fire hydrant installation project. On 8/15/2017 there was an underground gas line that was damaged during the installation of a fire hydrant as part of the construction for the Art Center ROW houses that were built at Chrysler FWY and E Ferry Ave. Was the installation of the fire hydrant a City project, or would this have been the responsibility of the builder? Thank You
3/13/2020 10:38	Jasmine Cosey	Bids/Contracts	I work on behalf of my client DTE Energy I want to see if you have the inspector notes for the contractor Major Cement or another contractor working on your behalf. This company was doing work for an ongoing project around the address 18960 San Juan, Detroit, MI when they hit an electric line was hit on 1/11/2018. This company ended up hitting an line at 18967 San Juan Dr I I was seeing if you had this any documentation regarding this incident that took place and if you can provide it that would be great!
