Re: 10500 Lanark St.

Dear Mr. Cheatio,

The Detroit Water and Sewerage Department (“DWSD”) has reversed the charges associated with the prior owner(s) for 10500 Lanark St. The total amount of the transfer, inclusive of any penalties, will be removed from the current owner’s active account. Please allow up to seven (7) business days to see these changes reflected on the account.

If you have questions or concerns, feel free to contact me.

Sincerely,

Jacob S. Bahri _____
