MOTION

Upon recommendation of Mamata Burgi, Procurement Manager, the Board of Water Commissioners for the City of Detroit, Water and Sewerage Department, authorizes the Director to **approve utilizing a cooperative contract with AutoZone Parts, Inc. for the as-needed purchase of automotive parts and supplies for a total amount not-to-exceed \$3,100,000 and a term of up to 2.5 years**, and also authorizes the Director to take such other action as may be necessary to accomplish the intent of this vote.

BACKGROUND / JUSTIFICATION

The total contract amount requested will cover the entire term, including all renewal options and will be used among Fleet and Auto Stores Divisions.

PROCUREMENT METHOD

The DWSD Procurement Policy allows for participation in cooperative purchasing agreements from other public purchasing consortiums of competitively solicited contracts. Omnia Partners through the National Intergovernmental Purchasing Alliance (National IPA) issued a Request for Proposals (RFP) #17-02 for automotive parts and supplies and awarded based on the highest ranked proposal. The contract term is through

April 30, 2020, with two 1-year renewal options.

The DWSD Procurement Policy requires that Detroit Based Businesses (DBB) and Detroit Resident Businesses (DRB) be provided an exclusive opportunity to submit a bid that is equal to or less than the cost of the cooperative purchase price, provided the DBB or DRB will meet or exceed all terms and conditions of the original cooperative contract.

To ensure compliance, DWSD Procurement issued an Invitation to Respond (ITR) on MITN, which yielded three intent to bid responses but only one submitted a bid. Upon reviewing the bid submitted, they were not a certified DBB or DRB business and therefore did not qualify.

Based on the information above, DWSD recommends awarding the contract to AutoZone Parts, Inc.
