777 Doheny Dr.

Northville, MI 48167

TO: The Honorable Board of Water Commissioners
City of Detroit, Michigan

FROM: Gary Brown, Director
Water and Sewerage Department

RE: Contract 6001945 for various Vactor parts for DWSD owned Vactor equipment repairs & servicing

MOTION:

Upon recommendation of Mamata Burgi, Supply Chain Manager, the Board of Water Commissioners for the City of Detroit, Water and Sewerage Department authorizes the Director to enter into **Contract #6001945 with Jack Doheny Companies Inc., to furnish various Vactor parts that are inventoried items for a period of five-years, at a cost not to exceed \$411,612.65 (\$82,322.53 per year)** and also authorizes the Director to take such other action as may be necessary to accomplish the intent of this vote.

BACKGROUND

DWSD Fleet Department is responsible for the parts, maintenance and repair services for all DWSD owned Vactor trucks and equipment. The Vactor trucks and the other vactor machines are used year round to support

DWSD's various catch basin and sewer cleaning and maintenance programs.

JUSTIFICATION

This contract is to procure various parts for Vactor Trucks in fleet operations that are used in various catch basin and sewer cleaning programs. Vactor trucks have a service life of six (6) years under normal wear and tear. These trucks and equipment are essential for DWSD to clean catch basins to prevent sewer blockages and minimize the amount of pollutants entering the city's combined sewer system, which eventually discharges, after treatment, into local streams and waterways. DWSD Materials Management group maintains inventory levels of commonly used parts for service & repair purposes.

PROCUREMENT METHOD

DWSD Procurement has verified with the manufacturer, Vactor Manufacturing Inc., 1621 W. Illinois St, Streator, IL 61364 that Jack Doheny Companies Inc., is the only authorized dealer/distributor/service provider within the 50-mile radius of the Detroit area. Pursuant to DWSD'S Procurement Policy, section (5) Exceptions to Competitive Bidding, (B) Sole Source Procurements, competitive bidding is not required when there is only one source of supply available. The DWSD Administration recommends that the award go to the Jack Doheny Companies Inc. as a sole source.
